Experience West Coast Game Park, the original walk-thru Safari, where visitors meet, pet, film, and walk among hundreds of FREE roaming wildlife. Pet a cub, a pup or kit, enjoy and meet the many and varied species of youngsters presented by park attendants for an extra special, visitor interaction with nature's wild-life. While hand-raising and presenting the wild has been our specialty for over 39 years, visitors can expect to see an extensive array of majestic adult lions, tigers, snow leopards, bears, chimps, black panthers, cougars, lynx, bison, camels, zebras, elk to name a few. Visitors of all ages are amazed, entertained and astonished by the original and innovative way of meeting, mingling, petting, and seeing wildlife, offering an unsurpassed adventure in meeting the wild and a one-of-a-kind, lasting, exciting memory in getting to know the wild.

Thanks entirely to park visitors attendance, West Coast Game Park Safari has become Oregon's largest, totally self-supporting, wild animal attraction, dedicated to propagation, preservation and education, while reminding all that extinction lasts forever.
